### Safety, liabilities, anti-doping

With their registration, all participants agree to accept and comply with the safety regulations and rules of the F.I.E., the Austrian Fencing Federation and the Austrian sports authorities. Fencers arm themselves, equip themselves and fight at their own risk and responsibility. The control measures prescribed in the ÖFV Sport Regulations and in the F.I.E. Regulations are only intended to increase the safety of the fencers; however, they cannot guarantee it. Therefore, the organizers, tournament management, tournament directorate and referees assume no liability whatsoever and can therefore not be the cause of any accident. Fencers, officials, attendants and all officials undertake to observe the hall rules and to follow the instructions of the organizers.

For all participants the anti-doping regulations of the FIE, the Federal Sports Promotion Act and the Austrian Anti-Doping Act apply. With their registration, the respective athletes and the respective club agree to accept and comply with the anti-doping regulations of the ÖFV.
